## GREEN CAMPUS INITIATIVES INCLUDE

### **RESTRICTED ENTRY OF AUTOMOBILES:**

To avoid the air pollution the vehicles are not allowed in the campus. but they are parked in the parking area which are at outside of the campus, reasonably away from college. Our college has a separate parking area to avoid pollution. Mostly the institute encourages the staff and students to use the college transport instead of their own vehicles for safety, security, fuel conservation and to reduce environmental pollution. So, frequently the college buses are checked for pollution by the authorized agency. The vehicles owned by faculty or students with pollution check stickers are permitted into the campus.
