CIRCULAR

It was found that fans and lights in class rooms and laboratories are turned as off when students and teachers are not found in classrooms and laboratories. Hence the students are advised to turn off the lights and fans in the classrooms/laboratories when leaving.

It has also been observed that the taps of drinking water and toilet in temple tower and main building of our campus.

As a result, they are advised to close the taps immediately after use in order to avoid water waste and to reduce their power bill. If any water leakage or repairs are noticed immediately report to the maintenance staff or to the department.
